

The image features two black telescopes and a brass sighter on a dark, textured background. One telescope is positioned diagonally from the top left towards the center, showing its objective lens. The other telescope is positioned diagonally from the bottom right towards the center, showing its eyepiece and adjustment knobs. The adjustment knobs have markings for 'UP', 'DOWN', 'SR', 'AR', and 'FACT'. In the bottom left corner, there is a brass sighter with a threaded end and a small cross-shaped handle.

2-Piece Picatinny Scope Base

Gun Screws
#6-48 UNF

- ◆ Two-piece construction bases provide rings a solid and firm mount to your firearm without adding unnecessary weight.
- ◆ Picatinny rail Bases are matched with your choice of rings style in low, medium and high profile.
- ◆ Bases are precision fit and won't move under heavy recoil.
